EXPERIENCE

Digital Media Specialist

North Star Insurance Advisors - Wentzville, MO
2022-2024

With consistently quick turnaround time for projects, I gained an understanding of how to balance my efforts between video, graphic design, streaming, podcasts, and social media posting to create the best results for each on a weekly basis.

1st Assistant Director

Contract - Springfield, MO
2021

I was responsible for ensuring the cast and crew were prepared for each day's shoot, that the days stayed on schedule, and assuming the director role when the director was unavailable.

Teaching Assistant

Missouri State University - Springfield, MO
2020-2022

I taught three classes on the techniques of video editing, production, and writing. This included making the syllabus, teaching at least one day a week, and evaluating and grading assignments.
